Notice to Parents

Parents please help us with this issue; your child's safety is very important to all of us. When dropping off you children at practice or any other activity please be sure that the activity sponsor is on site. Please be punctual when picking your children up after the activity, our coaches put a lot of effort into coaching and they should not be asked to wait for you. Our schools and sporting events are not the place to leave you children unattended. Do not leave your children unattended at these events.

Spring Sports Callouts

Callouts for Baseball, Softball and Track will be held January 16th and 17th from 7-8p.m. at the Shrine Conference Center. Please be sure to visit the Dads' Club website at www.shrinedadsclub.com for more information, sign up sheets and required insurance forms.

Basketball Roundup through 1/6/2007:

Boys Basketball – The Boys' Basketball teams had a great showing at our recent Christmas Tournament. A big thanks to all the parents and volunteers who helped that weekend. Both the Boys Varsity and the 5/6th Grade Blue team won their respective brackets. In action this past weekend versus St. Lawrence, the boys 5/6 White team got their first victory with a tight 15-12 win. Our teams are playing away this coming weekend at St. Mary's.

Girls Basketball – The Girls' Basketball teams are also off to a great start. All teams continue to improve. The 7th Grade Varsity Girls defeated St. Lawrence this weekend for their first win. Nice job girls!!

Cheerleading – The girls continue to do a fantastic job this winter supporting our basketball teams. They have brought a lot of spirit to the games.

Intramural and Instructional

Intramural basketball begins January 28th. Please contact Ross Leonard for more information. The instructional league began play last weekend. The girls and boys 4th Grade teams both had strong outings with victories over St. Lawrence and St. Mary's respectively.

Swimming

Swimming Sign Up is complete. Currently the swim team has 52 participants composed of students in grades 5th through 8th. Currently they are scheduled to compete in 5 meets. The program will run 8 weeks with 2 weekly practices. Contact Aaron Smith for more information or check out the Swimming pages on the website.

Christmas Tree Sale

The Christmas Tree sale was a great success again this year. Thank you parents for dealing with the parking issues this past December. A big thank you to everyone who came up, bought a tree and again made the sale a huge success.
