News-Updates

Dream Cruise Parish Party

If you were around for Dream Cruise this past August, you know we had a fantastic turnout with lots of excitement for everyone. Thank you to everyone who helped out Friday night with the Parish Party and on Saturday with the Dad's Club parking. We appreciate your support!!!

New meeting date and location

The Dads' Club meeting has been moved to the second Thursday of the month and we will be meeting in the Parish Center 7:30 pm.

Fall Sports

Soccer – The soccer teams have started with a bang. The Girls and Boys soccer teams were very successful in the St. Edith's Tournament. The Junior Varsity Girls Blue team won the tournament. The boys and girls Varsity teams both took second. All of the teams enjoyed the experience. All of our teams were very successful this past weekend in sweeping Holy Family.

Football – The football teams have been hitting on all cylinders. All teams have had great success early this season. The Junior Varsity has compiled a record of 3-0 while the Varsity team is 1-2 and playing well.

Cross Country - 3 of our Cross Country athletes placed in the Tortoise and Hare Invitational

Volleyball - The girls have played well, with the #1 8th Grade team victorious. The 5/6 Grade, and the #2 8th grade put forth great efforts, but came up short.

Cheerleading – The girls are doing a great job cheering on our football teams.

Winter Sports Callouts

We had an excellent turnout for Basketball registration with over 100 athletes registering for basketball this winter. Don't forget the Parent Meeting on October 12, 2006 at 8:00 in the Grade School Gym. A parent from each family must attend this meeting.

Intramurals

Intramural Basketball registration will be in November and play will begin after the first of the year.

Shrine Grade School & Academy Sports Web-site

We are currently upgrading the Grade School and Academy Dads' Club web site. We will continue to run the current web-site (www.shrinecyoathletics) until we are ready to roll out the new website. Aaron Smith has been nice enough to donate his expertise in helping us with the new site. Look for details in the near future.

Pancake Breakfast

This October 2006 (Date TBA), we will be having another great Pancake breakfast. Join Chef Bob and the rest of the crew.
